#### Part B

#### **CRITERION I – CURRICULAR ASPECTS**

### 1.1 - Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The subjective aspects as outlined in the syllabi of the various subjects taught in the institution are delivered through a planned mechanism with the aid of various tools and processes. A class routine is prepared before the beginning of every academic session by a Routine Committee constituted by the Principal, which is not only responsible for allocation of various classrooms as per necessity of various subjects in the routine but also is responsible for removing any anomalies that might arise after the start of the classes, mostly pertaining to room capacity. Every department maintains a Daily Class Monitoring Diary and it is checked by Principal weekly, which is an authentic record of all the classes taken by the faculty members. Moreover, each of the faculty members maintains a Lesson Plan, which is used for delivery of the topics allotted against each of them in the various semesters. Departmental Advisory Committee meetings are convened by the Heads of Departments at regular intervals for taking making assessments of syllabus completion status by the individual faculty members, as well as for planning for other academic activities like holding of student seminars, field works, class tests, allotment of assignments, etc. In subjects where field works/ institutional visits are mandatory and part of the syllabus, the heads of departments either allocates the field-in-charges for any upcoming field work or it comes as a voluntary agreement on the part of the teachers. The field-in-charges makes arrangement for planning the journey schedule and takes care of all logistic requirements that might arise in connection with the field works viz. planning of the schedule, purchase of tickets, arrangement of stays, arrangement for local transportation, tie-ups with other institutional heads (in case of institutional visits), and finally assisting the students in the preparation of the field reports. The field reports are normally returned to the students as there is shortage of storage space in the departments, but one or two exceptional reports are retained back in the respective departments. Students are also made to deliver seminars on topics allotted in their respective

syllabi in some departments, mainly through power-point mode, and where active interaction between peers and teachers takes place. The internal assessment marks of the students are allotted differently by different departments on the basis of different parameters like class attendance, student seminars, home assignments, etc.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

#### Feedback Obtained

Feedback was obtained from various stakeholders like students, Alumni and parents during the current assessment year. However, the institution has given optimum efforts to come up with various innovative actions through the IQAC, for overall development of the institution. Apart from the formal feedback system as envisaged and prescribed, the administration also takes heed of nonformal feedback from the various stakeholders blended with individual jurisprudence on the part of the principal (as the administrative head) and the Governing Body for planning and executing various developmental works in the institution for its overall development. Informal interaction with the various stakeholders on different occasions has also led to the formation of ideas and opinions regarding developmental aspects of the institution. The parentteacher meetings held at various departments has served to elicit opinions from the guardians on various developmental aspects of the institution. The local people frequent the campus for a variety of reasons and informal interaction with different individuals of the institutional locality has become more of a routine affair. Several ideas on important developmental aspects have crystallized in that way also.

#### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

'Formal mentoring system has not yet been effective in the institution. However, the faculty members maintain close rapport with the students (especially the students from the major course) and assist them in various aspects pertaining to their career and personal issues. The field works that are carried on in some of the departments is a good opportunity for the students and the faculty members for developing good personal bonds as good period of time is spent together during travelling and overnight stays in outstation places. The close bonding between the teachers and the taught also gets developed through a variety of works and activities in different departments like departmental functions (freshmen social and farewell functions), designing of departmental wall magazines, activities of student societies, etc. This way, faculty members get to know about their personal traits and also the opportunity to serve as their informal mentors.

#### 2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Reforms as continuous internal evaluation has been initiated by the parent university i.e. Gauhati University. After proper evaluation of answer scripts of sessional examination, concerned teachers of the department show evaluated answer scripts to the students for their better performance. If any students fail to secure minimum passing marks or remain absent on the date of examination, the departments take outmost care to hold reexamination for them .Some of the departments have a good practice of conducting class tests, seminars, group discussions, as well as home assignments for the students which can be considered as a part of the CIE. This has been reflected in the analysis

of student's feedback. About 34.05 and 38.11 students responded as good and very good in this regard. Again all the departments have provisions for tutorial class which has been allotted in the college routine. The purpose is to clarify the doubts and reexplain the critical topics and also discuss the question papers of the previously held examination. The departmental seminar and discussion is conducted for upgrading the oral skills of the students. IQAC motivates different subject's societies to organized extension activities in their subject. Faculty members are encouraged to adopt various innovative teaching methods such as PPT presentations, field tours, seminars etc.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

An academic calendar cum holiday list is prepared and published by the by the affiliating University uploaded in the institutional website. This calendar incorporates various important events and activities planned during the academic year viz. Tentative schedule of the various examinations, fields visits etc. The different inhouse activities/events like observance of college annual foundation day are to be scheduled as per college authorities. The other functions like annual college week celebration, college general freshman social and student's union elections, etc. are organised as per academic calendar. However, different miscellaneous events/celebrations that take place within short preparation schedule are excluded from the purview of this academic calendar. Sessional examinations are conducted as per schedule as outlined in the academic calendars, whereas the holding of termend examinations may not hold true, as these examination schedules are decided by the University authorities.

The computers in the different academic departments are used by the academic staff and the students as well for different purposes, the former using those for administrative and academic purpose while the latter for academic usage like preparation of field reports, accessing web resources, elearning resources, etc. The various rooms are used for classes and also used exclusively during the examination time, as decided by the individual examination committees appointed for the different examinations. However, for outside examinations (that are normally held during Sundays), the college obtains a centre fee, that varies to great extents (either lump sum or per candidate basis). The college canteen is monitored by a Canteen Monitoring Committee, which looks into the qualitative aspects. The Language Lab of the college is coordinated from the English Department, which caters to the need of all the students. There is a Sports and Games Promotion Committee for maintaining the sports infrastructural facilities like the Basket Ball Court and the Sports Library.
