1. 3 days Workshop on Theatre in Education

Date: 14th, 15th and 16th March, 2019.

The "Theatre in Education" workshop held from March 14th to 16th, featuring Mr. P Debnath from NSD Tripura and Miss Banashree Sharma as resource persons, was an enriching experience in the world of education through the lens of theater. This dynamic workshop explored various aspects of utilizing theater as an effective tool in educational settings. Topics Covered: Role of Theater in Education: The workshop delved into the significance of theater in the educational process. It emphasized how theater can engage, educate, and inspire students, making learning more enjoyable and memorable. Creative Teaching Techniques: Mr. P Debnath and Miss Banashree Sharma shared innovative teaching techniques that harness the power of drama and performance to make complex subjects more understandable and relatable for students. Storytelling and Narrative: The workshop highlighted the art of storytelling and its role in education. Participants learned how to craft and present narratives that captivate students' attention and convey important messages. Character Building: Understanding how to develop and portray characters became a central focus. This aspect showed how theater can be used to instill values and build character in students. Interactive Workshops: Practical, hands-on activities and exercises were an integral part of the workshop. Attendees actively engaged in drama and theatrical exercises to experience firsthand how these can be integrated into the classroom. Inclusivity and Empathy: The workshop also touched upon the importance of creating an inclusive and empathetic classroom environment through theater. Participants explored techniques to foster understanding and collaboration among students. Overall, the "Theatre in Education" workshop offered a comprehensive exploration of the intersection between theater and education. It provided valuable insights and practical methods to enhance the teaching and learning process, making education a more engaging and transformative experience for both educators and students.

4. Deliberation on Climate Change and its Impact on Water Resources.

ORGANISED BY: IQAC, Nagaon GNDG Commerce College

VENUE: Seminar Hall

DATE: 23/04/2022

SPEAKER: DR. JAGANNATH BISWAKARMA Scientist Water resources and drinking water EAWAG, Switzerland

A deliberation on Climate change and Impact on water resources was arranged by the IQAC of the college and Dr J Biswakarma , a scientist from Eawag University in Switzerland was invited as the resource person. A seminar that was well attended by students and teachers alike saw Mr Biswakarma give a very resourceful talk on the present environmental crisis that the world is going through. As a scientist working in a very developed nation he could compare the situation arising in an overpopulated growing economy like India. However he gave very judicious and feasible suggestions which could be implemented in the Indian context to keep our water resources safer from all environmental hazards.

### 3. Seminar on Value Education and Academic Growth

Date: 31 -3-2023

Organised by MIL department

Resource Person: SapuntiBordoloi

The Assamese, English and Hindi departments of Nagaon GNDG Commerce observed 31st March as Students' Day to commemorate the birth anniversary of Bodofa Upendranath Brahma, a student leader and social activist who was conferred the title of Bodofa or Guardian of the Bodos .

To commemorate the occasion the departments together organized a seminar on Value Education and Academic Growth and invited academicians Sri SapontiBordoloi resource person who besides being an eminent dramatist and playwright is also reputed as a debater and reciter .

Sri Bordoloi spoke extensively to a packed audience of teachers and students and stressed on the importance and necessity of moral values in the lives of every individual. He admitted that it is our negligence in adhering to strict values in every sphere of our life that is leading to ethical erosion and gradual conflicts in our relationships with others. To protect the environment and to build a society that is mindful of the needs of others, value education is an urgent necessity in today's world. Value Education helps in forming healthy habits and in adjusting and adapting ourselves to different situations by correlating the emotions of our heart and brain. To build a society consisting of responsible citizens Value Education should invariably be included in the curriculum and that is the reason why it is strongly emphasized in the New Education Policy. The seminar was inaugurated by the Vice Principal of the college, Sri Mridul Mahanta.
