Hosting the World Telecommunication Standardization Assembly (WTSA) 2024 and Global Standards Symposium (GSS) by India from 14 -24 October, 2024 at Pragati Maidan, New Delhi

From : SUNEETKUMAR TOMAR
<suneetkumar.tomar@gov.in>

Subject : Hosting the World Telecommunication Standardization Assembly (WTSA) 2024 and Global Standards Symposium (GSS) by India from 14 -24 October, 2024 at Pragati Maidan, New Delhi

To : PABAN KUMAR BORTHAKUR, IAS <cs-assam@nic.in>

Cc : Premjit Lal <ddgir-dot@nic.in>, Atique Ahmed <dirir2-dot@nic.in>, Abhishek Shukla <abhishek.shukla92@gov.in>

AS DIRECTED
PLEASE TAKE NECESSARY ACTION
Secretary, Coordination to C.S.

Respected Sir,

I have pleasure to inform that India will be hosting the World Telecommunication Standardization Assembly (WTSA) 2024 on 15-24 Oct 2024 preceded by Global Standards Symposium (GSS) on 14 October, 2024 at Pragati Maidan, New Delhi. It is a flagship ICT/telecom standardization event of the International Telecommunication Union (ITU) - an UN agency for ICTs. ITU was founded in 1865 and is represented by 193 member countries and 700+ private entities. Further, India has been its member since 1869. WTSA is held once in every four years and being held first time in Asia in 2024.

2. The event is likely to be inaugurated at the highest level of Government of India on 15 October 2024 and attended by more than 2000 delegates including 800-1000 foreign delegates. It will strengthen the standardization ecosystem in India in key telecom/ICT areas like 5G, 6G, satellite communications, AI, IoT, quantum technologies, cloud computing etc. Additionally, it will offer a platform to showcase India's technological advancements through exhibitions, demonstrations, and related events.

3. Various events are being planned to be organized during WTSA 2024 (14-24 Oct 2024) as below:

- Global Standards Symposium (14 Oct 2024)
- World Telecommunications Standardization Assembly (15 - 24 Oct 2024)
- India Mobile Congress 2024 (15-17 October, 2024 - to be confirmed)
- Network of Women at WTSA 2024 (17 October 2024)
- ITU Kaleidoscope - An Academic conference (21- 23 October 2024)
- A conference on 'Artificial Intelligence

the above, it is requested to kindly circulate the information about the WTSA 2024 (Brochure attached) to all the concerned stakeholders and also block your calendar for the event. More information will be provided in due course. In case of any query or clarification, the undersigned i.e. Mr Suneet Kumar Tomar, ADG (IR) may be contacted at +91-11-23713372 and email id at suneetkumar.tomar@gov.in .

Thanks and Regards,

Suneet Kumar Tomar ITS
Assistant Director General (International Relations)
Department of Telecommunications
Ministry of Communications
Government of India.

World Telecommunication Standardization Assembly (WTSA)

The World Telecommunication Standardization Assembly (WTSA) is the governing conference of the ITU Standardization Sector (ITU-T). The conference discusses and creates the management structure and team of Telecommunication Standardization Advisory Group (TSAG) and Study Groups (SG) of ITU-T. This quadrennial conference also decides the standardization plan and working methods of ITU-T for the study period of next four years.

Global Standards Symposium (GSS)

Global Standards Symposium (GSS) is a forum for high-level standardization policy debates that explore the evolving dynamics of information and communication technology (ICT) and associated implications for technical standardization, which is open to both ITU members and non-members. The theme of GSS-24 is "Charting the Next Digital Wave: Emerging Technologies, Innovation, and International Standards".

What to expect

WTSA-2024 will bring together industry leaders, policymakers, and experts from around the globe to address the challenges and opportunities of the rapidly evolving telecommunication landscape. WTSA-2024 will strengthen the standardization ecosystem of various telecom / ICT technologies. It will also provide an opportunity to showcase technology prowess through exhibitions, demonstrations, parallel programs, and run-up events with a key focus on digital transformation.
